

## TECHNICAL DATA SHEET

# Ki-Kleen

## Concentrated Multipurpose Cleaner for Aircraft Cabins

### DESCRIPTION

Ki-Kleen high performance cleaner is a multipurpose, aircraft-approved surface cleaner. It effectively tackles various types of dirt when diluted ; as a spray and wipe-off product, it's streak-free and eliminates the need for rinsing after use. Ki-Kleen can be safely used in food preparation areas and is suitable for a wide range of materials including polypropylene, polyethylene, vinyl, plastic, aluminium, stainless steel, glass, Lexan, carpets, and man-made fabrics.

### FEATURES & BENEFITS

- High dilution rate and strong detergency for cost-effective cleaning.
- Low streak, spotless drying.
- Water based, aircraft approved formulation.
- Non-flammable, VOC-free.
- Naturally-derived surfactants, sulphate-free.
- Readily biodegradable formulation.
- Concentrated version : 1:99 to 1:19 dilution rate (1 to 5% w/w).
- Calculated and Compensated Carbon Footprint.

### DIRECTIONS FOR USE

Ki-Kleen is to be diluted with water from 1:99 to 1:19 (1% to 5%) depending on the level of grime.

Recommended dilutions:

- General hard surface cleaning: dilute at 1:99 with water
- Heavy-duty cleaning: dilute at 1:19 with water

Spray directly onto the surface and wipe clean using a dry, lint-free cloth. For stubborn areas, multiple applications with firm rubbing action may be necessary. Ensure all residue is wiped clean and avoid saturating the surface. For porous surfaces (PVC in kitchens), remove dirt with a soft brush. Rinse if surfaces are in direct contact with food.

**Carpet & Glass Cleaning:** Ki-Kleen can be used for carpet and glass cleaning at a dilution of 1:50 to 1:99 with water if required. It is suggested, however, to use dedicated products such as Aero Carpet Cleaner and Aero Screen Cleaner SCREENPAD 2000 for optimal performance in these areas.

### PHYSICAL PROPERTIES

Appearance: Light blue, transparent liquid

Density: 1.01 ± 0.05

pH: 7.0 +/- 0.5

### AIRCRAFT APPROVALS

- AMS 1550
- Boeing D6-7127
- Air France FITS 52-083-01
- PSA is certified ISO 9001:2015
- PSA NATO Cage code : FA2X6

### STORAGE & DISPOSAL

Store in a cool, dry, ventilated place. Keep out of reach of children. Dispose of container in accordance with local regulations.
